Temperance Town in Gordonsbay - a privilege!

2.Volunteers:

If you look at this table you can see the importance of getting the right passionate, Spirit-filled people for the 128 classes/ presentations. These are volunteers who love Jesus and children and selflessly give their love! These precious people's ages range from 18 to 73! and they are our greatest asset! **It remains one of our greatest prayer requests.** Pray that helpers will push through even if the circumstances are sometimes not so easy. Our prayer is that for all who serve the children **Malachi 2: 5-6** will be true : that **"..they will live to bring life and peace... have reverence for God and stand in awe of His name, instruct the children in God's truth ... and walk in peace and uprightness with God ... and turn many away from sin."** THANKS TO EACH HELPER..YOU ARE SO PRECIOUS TO US!

3.Temperance Town kicks off ♥

421 gr1 to 3 learners, 11 different classes, a 3-week cycle done by 8 women and Rosie as prayer warrior. Everyone agrees that this is just a blessing to be able to serve here. It

seemed like an impossible task but God is faithful, and everything has fallen into place!

4. Choose Jesus!

The **vision** of HEY! Is to **bring hope to children by sharing the Good news of Jesus with them.** During the 1st term, many children made a decision for Jesus for the 1st time or at renewal. It remains such a privilege to lead children to Jesus. Please pray for their spiritual growth! ♥

Joy in action! Children's enthusiasm and laughter! "The joy of the Lord is your strength!" Nehemiah 8:10

THANKS FOR YOUR SUPPORT IN WHICH EVER MANNER, WE REALLY APPRECIATE YOU! ♥
