

3rd quarter 2016 in "HEY!'s world"

HEY! News Nuggets

The 3rd quarter was once again a great "blessing"! We honor God for His favour, about 3,300 children were ministered to by 84 HEY! volunteers **Here we share a few highlights**; but want to focus this time on relationships & connection - together can be done so much more :

1. PRAYER "container": We would like to share that which could result from prayer weeks and just come to the realization that everything begins with prayer! At **Danie Ackermann** a miracle testimony is unfolding and we are amazed at the connections that come together from people with a heart for prayer and for the children of Danie Ackermann!! A "container" that stands on an **Agricol** farm was donated to us. The Bible presenters involved **Irma, Helga, Haydee, Ursula, Clive, Gayle** all came with their specific contact regarding funds, transport and many more to put the process in motion. The headmaster Hein Swart is also a prayer "warrior" and supports this initiative! Please pray that the project can be completed successfully so that a permanent prayer room ("boiler room") on the school premises can be established for the benefit of children and teachers. **GOD IS GOOD! ♥ James 5:16 "prayer has a powerful effect"**

Container? NO This is a prayer-house in the making!

Mergon Connect conference-valuable!

2. CO-OPERATION SO POWERFUL!: Celeste and Natasha attended the **Mergon Foundation "connect" conference** in September and except for the fact that we were equipped, could pray together and had valuable connection opportunities with other NGOs, we were also treated and walked away motivated and encouraged! The contacts made were immediately taken further. **SCAS** had a

sports camp Sept 17 and HEY! could help **Jenene Peterson** to "connect" schools. The result was a very successful day at the Island campsite which was attended by 27 students from **Hope & light** school. But it didn't stop here... HEY! and SCAS could contact **Cois de Kock** of Sentinel to assist with transportation of the children and he could help! **A threefold cord is not quickly broken (Eccl 4:12)** is so true.

3. TEAMBUILDING AND TRAINING: At the end of the 3rd quarter most people's "tanks" were empty. HEY! wanted a fun training & teambuilding morning! We met **Daniel Thomae** of **sports4changes** at Mergon Connect and realized that the type of training they do will be perfect, and another connection is made !! We could use **Voice's** facility and were taught games and activities that can be done with children. Thanks to everyone who contributed to the morning. We're ready for Q4 with new ideas, energy and full of JOY! **Neh 8:10 "the joy of the Lord is your strength"**

FUN=Daniel & Sylvester from training 4changeS ♥

THANKS TO EVERYONE WHO SUPPORTS US IN WHICH EVER WAY, WE APPRECIATE YOU! ♥
