Learners at Temperance Town Primary School (TTPS) and Sir Lowry's Pass Village were treated to a life-changing VBS Holiday Camp program during the April 2011 school holidays.

Presented by INGODWE Trust and EEIII members and volunteers, this important, Bible-based curriculum kept kids occupied with fun-filled games, songs, activities, Bible memory verses, and even Life Skills tips and training.

### Positive Feedback

"We have been receiving very positive feedback from community members and parents as to the effectiveness of this pro-

gram," says TTPS Principal, Edith Opperman. "Even the atmosphere in the area seems to have improved. While many parents are working during the holidays, the kids are kept safely occupied, receiving important instruction, and in many cases, even their emotional attitudes are being positively affected."

Principal Opperman attributes the INGODWE Trust/EEIII Holiday Camp program's success to its excellent content, presentation, caring attitude of team members, and the relevant ways in which they approach the learners.

## << CONT'D FROM PAGE 1

“Many kids who are normally not very attentive in class, were focused and obviously enjoying every activity—a sure sign that the course is being truly effective.”

### Volunteers and Sponsorship

The week was a huge success. It can be attributed to the quality of the presentation, the volunteers and to sponsorships by caring businesses and individuals. As a result the learners also enjoyed healthy snacks and drinks, and other ‘take home’ items. INGODWE Trust would like to thank everyone involved for their valuable contribution (sponsors listed below):

- Appletiser (Sally-Anne Joubert & Riaan Marais)
- Hope Explosion Youth Ministry
- PNA Cape Gate
- Work & Travel SA (Johan & Kim Scholtz)
- Panarotti’s Somerset Mall (Sylvia)
- Mr Words Writing & Photography (Andrew Cartwright)
- Marieta Greyling

### Ingodwe Trust

INGODWE Trust (IT569/2010) is a registered trust and PBO in South Africa, established in 2010. They specialise in HIV Education, Youth Mentorship and Leadership Development, and Entrepreneurship.

INGODWE Trust currently operates within the Western Cape Province, with a strategy of national expansion and operation through the establishment of regional offices and teams. INGODWE Trust services communities by holding interactive audio-visual presentations at schools, businesses, town halls, and churches.

They present these messages in exciting, relevant, memorable ways that inspire people to act on what they have seen and heard. Audiences are thus more informed and able to make informed choices when facing challenging situations in life.

### STD/HIV/AIDS Intervention

INGODWE Trust’s primary objective, as a matter of urgency, is to fully deploy the INGODWE Trust STD/HIV/AIDS Intervention Campaign by sending teams and presentation materials to young people (learners) countrywide.

To do so they are seeking substantial funding and donations—and invite government, businesses, donor funds, and concerned individuals everywhere to join forces with them in this quest.

“We need to send our presentations to where they are most needed now as a matter of urgency—to the vulnerable youth of South Africa. Lives are depending on it,” says Christiaan van Wyk, INGODWE Trust Founder & Director.

### Saving Lives

Statistics confirm the effectiveness of these educational methods, as evidenced by the impact and success of the Holiday Camp Program.

INGODWE Trust firmly believes that, through the presentation of its various programs, many young lives can be changed and even saved.

The potential impact of this on the nation’s future will surely be felt for generations. Visit [www.ingodwe.org](http://www.ingodwe.org) for more information, or E-mail: [info@ingodwe.org](mailto:info@ingodwe.org) to discuss sponsorship/funding options. ■

“For I know the plans I have for you,” declares the Lord, “plans to prosper you and not to harm you, plans to give you hope and a future.” Jer 29:11
