HEY!
NEWS Nuggets

At HEY! we can testify of God's goodness and favour on a daily basis and a newsletter like this **one** actually only serves to give you a summary of what has been happening! It is impossible to describe every way in which the Lord has blessed us! Here are a few News Nuggets:

1. HEY! welcomes Natasha van den Berg: As a result of the considerable amount of administration that it takes to provide each child with 'a Sword of the Spirit' verse each week, a laminated Bible verse for each teacher and to produce many extras, we decided to get someone to execute this task with passion each week! The Lord has (as always) blessed us with the best - Natasha van den Berg, thank you for always being in such good spirits and full of new ideas!! We appreciate you so much!

Welcome Natasha ♥

2. SCAS winter holiday camp: SCAS (sport for Christ action South Africa) approached us to nominate 10 pupils to attend their sport holiday camp at the SCAS "Eiland" campsite. **10 pupils were selected from Danie Ackermann** and they each had a life changing experience. Using the Word of God and sport as tools they dealt with exciting topics such as "**Humility wins**", "**Truth wins**", "**Love wins**" and "**Faith wins.**" For many of the children a camp such as this was a new experience and none of them wanted the weekend to end!!

SCAS holiday camp attended by gr7 learners from Danie Ackermann primary.

Back Ronel, Janine, Haydee, Lea, Clive and front: Pat, Nancy, Gayle (Hope for Kids training)

3. "Hope for Kids" training: HOPE FOR KIDS is used internationally in 213 countries and its powerful impact is visible in nearly 600 schools, churches and communities in South Africa. In July **Chris Bester** presented this training to **8 of HEY!'s Bible class teachers**. They all tackled their classes with a new boldness as a result of this comprehensive tool. I openly share Chris' wise words "**love children into the Kingdom of God! God changes hearts, you are just there to love!**" What a privilege to be trained by Chris!

4. Red post boxes at Lochnerhof:

Joelene started this wonderful initiative at Lochnerhof in Strand for **Grades 1-7 (30 classes)**. Each class received a red "post box" into which letters with prayer requests for "**Dr Soul**" can be placed. The Bible class group leader removes the letters each week and the prayer requests go to people who pray. Questions are answered in an open letter which is handed out to the children monthly. In this manner, **children's hearts are heard and trends and desires can be identified** which would not usually be voiced during class time as in class time is limited and is spent learning the Word of God.

OUR PRAYER FOR EACH PERSON WHO SHARES THE GOSPEL WITH CHILDREN: Col 4:6 "Let your speech always be with grace, seasoned with salt, that you may know how you ought to answer each one"
