

# Greetings from HEY! February/ March 2019

We declared this year that we will live 2019 SATURATED IN PRAYER.

The peace you have when knowing that Jesus is in control in every situation pulled us through some challenging times the last two months. **“I am leaving you with a gift—peace of mind and heart. And the peace I give is a gift the world cannot give. So don’t be troubled or afraid. John 14:27 NLT** We pray for the Holy Spirit’s guidance in our and the more than 80 volunteers in the Cape’s lives 24/7, living a life of humble surrender to Jesus.

In **Chris Nissen Park** we started a group where ladies from the community are making **cement projects** like candle- and pot plant holders. These skills are taught to equip them to make it themselves. The women’s Bible study group is now being led by the women we met with before. Wonderful to see growth and ownership in this community.

The **“Women for change”** ladies we reported about in the last letter are doing a great job and we could assist with programs and resources for them to keep the children busy in a constructive and educational but also fun way. Amazing to see how children are getting off the streets and interested in activities in the community!

We had the unfortunate event of our time of ministering at **Hope & Light** school after more than 4 years coming to an end after the appointment of a group serving there every day of the week for the year. We have peace knowing that God has something better in store for us to further His Kingdom although we will miss the children and teachers!

After this happened two new opportunities opened up. One in **Macassar** where we will be seeing principals at Falsebay Primary and Oklahoma primary in the 2nd term and the other assisting City of Cape town with a Truancy program at **Sir Lowry’s** pass school. God is in control!! Amazing how we can trust Him with the finer detail for these projects but we need your prayer please for these.

We went to **Altena school** on the last day to uplift and encourage and pray for the teachers. It was so blessed and after realizing that the need for this is huge we will do this now regularly.
