

Hey! We need you!

Volunteers (moms or dads) needed to help with the exciting gospel program Hope 4 Kids for grade 4's

On Thursdays from 8h00 to 9h00 Hope 4 Kids will be presented at school. We need passionate parents to get involved in helping with these presentations every Thursday from 8 to 9. Training can be provided by qualified EEIII facilitators to equip you. This is a life changing course and will equip you to lead others to the Lord and help children to do the same!

Can CHILDREN really understand the gospel and be enthusiastic to tell other about Jesus Christ?

YES, THEY CAN! But they need us to show them how!

Children have a need to :
understand the gospel, to have a personal relationship with Jesus Christ, have the ability and knowledge to share the Gospel with family and friends.

What does the Kids EE program achieve?

- It explains the Gospel in a humorous and adventurous way to the children,
- leads them to a strong knowledge of the saving we have in Jesus Christ and equips them to share their believes with others.

We are receiving excellent feedback from parents whose children are involved
in the Kids EE workshops..

We are looking forward with great expectations to hear from you. We need your help to get these grade 4's equipped!
